Memorandum for Heads of Executive Departments and Agencies

From: Robert H. Shriver, III
Acting Director

Subject: Emergency Leave Transfer for Federal Employees Adversely Affected by the California Wildfires January 2025

In the event of a major disaster or emergency as declared by the President that results in severe adverse effects for a substantial number of Federal employees, the U.S. Office of Personnel Management (OPM), in consultation with the Office of Management and Budget (OMB), may establish an emergency leave transfer program (ELTP). After assessing the impact on employees in the declared disaster areas, OPM, in consultation with OMB, has determined that an ELTP is warranted for the California Wildfires affecting Los Angeles County.

An ELTP permits employees in the executive and judicial branches, or agency leave banks established under [5 U.S.C. 6363](#), to donate unused annual leave for transfer to employees of the same or other agencies (or the judicial branch) who are adversely affected by a major disaster or emergency, either directly or through adversely affected family members, and who need additional time off from work without having to use their own paid leave. Employees who are adversely affected and seek to become emergency leave recipients must apply in writing to their agencies. An employee who is unable to do so on their own may apply through a personal representative ([5 CFR 630.1105](#)). The ELTP will be in place to assist approved leave recipients as the need for donated annual leave becomes known.

Please note that this is the third ELTP that has been established recently. An ELTP for Hurricane Milton was authorized on October 10, 2024, ([CPM 2024-21](#)) and an ELTP for Tropical Cyclone, Tropical Storm, and Hurricane Helene 2024 was authorized on October 2, 2024, ([CPM 2024-20](#)). Please see the guidance OPM provided on November 2, 2017, on how best to administer multiple, concurrent ELTPs to ensure that emergency leave recipients receive sufficient amounts of donated annual leave ([CPM 2017-16](#)).

Agencies with employees adversely affected by the California Wildfires January 2025 are in the best position to determine whether, and how much, donated annual leave is needed by their employees and which of their employees have been adversely affected by the disaster within the meaning of OPM regulations. They are also in the best position to quickly facilitate the transfer of donated annual leave within their agencies. Therefore, OPM is authorizing agency and department heads (or their designees) to do the following:

1. Determine which employees are affected and whether, and how much, donated annual leave they need;
2. Determine the period of time for which donated annual leave may be accepted for distribution to approved leave recipients;
3. As appropriate, approve leave donors and/or leave recipients in their agencies;
4. Facilitate the distribution of donated annual leave from approved leave donors or (with the concurrence of an agency leave bank board) from an agency leave bank to approved leave recipients within their agencies; and
5. Educate adversely affected employees that, dependent on agency policy, they may request advanced annual or sick leave, as appropriate (even if they have available annual and sick leave) or leave without pay, so that they are not forced to use accrued leave before donated annual leave becomes available. This is necessary since donated annual leave may not be retroactively substituted for accrued annual or sick leave used because of the disaster or emergency; it may only be substituted retroactively for any period of leave without pay or advanced annual or sick leave used because of the disaster or emergency.

Agencies are responsible for administering the ELTP for their own affected employees. Therefore, employees who wish to donate annual leave must contact their own agencies, not OPM, to determine if there are any affected employees in their agency and how to donate annual leave to them.

Agencies should contact OPM for assistance in receiving additional donated annual leave from other agencies only if they do not receive sufficient amounts of donated annual leave to meet the needs of emergency leave recipients within the agency. Based on the demand for donated leave, OPM will solicit and coordinate the transfer of donated annual leave among Federal agencies. OPM will notify each agency of the cumulative amount of donated annual leave that will be credited to it for transfer to its

approved emergency leave recipients. The agency will determine the amount of donated annual leave to be transferred to each emergency leave recipient.

Agency headquarters-level human resources offices may contact the Leave Administration policy group within OPM at leavepolicy@opm.gov. Because the emergency leave transfer program will be administered by the agencies, employees should contact their servicing agency human resources office for further information on the emergency leave transfer program.
