

Interagency Labor Relations Group (LRG) Point of Contact Form

Purpose

Executive Order 13836 created an Interagency Labor Relations Working Group (LRG). The purpose of the LRG is to assist the Director of the Office of Personnel Management (OPM Director) on matters involving labor-management relations in the executive branch and propose recommendations to the President for improving the organization, structure, and functioning of labor relations programs across agencies.

Pursuant to Executive Order 13836, all Executive departments and agencies subject to Chapter 71 of Title 5, United States Code (U.S.C.) should provide a point of contact (POC) to work with OPM to provide term collective bargaining agreements (CBAs), sample proposal and counter-proposal language on significant matters proposed for inclusion in term CBAs, and analyze and discuss with OPM and the LRG the impact of various CBA provisions on agency effectiveness and efficiency and otherwise cooperate fully with the LRG in support of its mission.
