

FedsWISH

FedsWISH is a government-wide initiative to help end hunger, increase community engagement, and inspire a healthier lifestyle.

In partnership with Feds Feed Families, federal employees are encouraged to donate healthy non-perishable food items.

On September 29, between 10:30am and 12:30pm EST, federal employees will mobilize for a 30-minute walk wearing the color orange.

Agencies and employees are encouraged to showcase their efforts using the hashtag #FedsWISH
