**Subject: Agency Noncompetitive Hiring Authority of Military Spouses Annual Reporting**

Executive Order (EO) 13832 titled, “Enhancing Noncompetitive Civil Service Appointments of Military Spouses,” and Section 573 of Public Law 115-232, The National Defense Authorization Act for Fiscal Year (FY) 2019, require Federal agencies to report annually on the non-competitive hiring of Military Spouses. To meet the obligations posed under EO 13832, U.S. Office of Personnel Management (OPM) is required to provide an annual report to the President on the implementation of the military spouse hiring authority, to include an analysis of agency submissions to this data call and recommendations for enhancing the hiring of military spouses and the military spouse hiring authority.

In accordance with these provisions, the following information must be submitted to the OPM no later than Friday, December 31, 2021. Federal agencies with operating components and field installations should ensure required and pertinent information from their operating components and field installations are integrated into one agency submission. Each agency, in coordination with its components/bureaus, must provide the following data:

1. The number of positions made available for application under the military spouse hiring authority during the FY 2021;
2. The number of applications submitted under the military spouse hiring authority during the FY 2021;
3. The number of military spouses appointed under the military spouse hiring authority during FY 2021;
4. Identify *each* of the positions filled under the authority by title, series, and grade level;
5. Summarize the effectiveness of the authority for such appointments during FY 2021;
6. The number of relocating and non-relocating spouses of current military members appointed under the authority during FY 2021;
7. Summarize and provide details on actions taken by the agency during FY 2021 to advertise and promote the hiring of military spouses; and
8. Point of Contact for Military Spouse Hiring initiative.

The recent analysis of the Non-Competitive Hiring Authority of Military Spouses Annual Reports has revealed positive trends since the implementation of this initiative. Agency’s report submissions for FY2021 should clearly outline and provide details and the methodology that was used in the recruitment, employment, monitoring, reviewing, and evaluating the reporting requirements.

Each Department, agency, and instrumentality in the executive branch, including the U.S. Postal Service and the Postal Regulatory Commission must submit reports **electronically** to: [militaryspouse@opm.gov](mailto:militaryspouse@opm.gov).
