CHCO COMMUNITY NEWS

HR Delegation From Singapore

OPM will be hosting colleagues from Singapore sometime in early February to discuss HCAAF. The group is from the Strategic Workforce Planning unit in Singapore’s Public Service Division. Their unit helps to build a future-ready Public Service by working with agencies to identify and address workforce capability gaps at the whole-of-government level. It also promotes and supports the development of strategic workforce planning capabilities across the Public Service, so as to help agencies identify and address their own workforce capability gaps. They are interested in visiting with other Federal agencies to discuss workforce planning as a complement to their OPM visit. If you're interested in hosting them, please email matt.collier@opm.gov to coordinate.

The D&I Strategic Plan and guidance is now available

The Strategic Plan and Guidance documents can be found on the Diversity and Inclusion website at:

The CHCO bulletin is the primary means of disseminating pertinent and timely information to CHCOs on a wide range of Human Capital issues. The consolidated nature of this bulletin is meant to reduce the e-mail flow and streamline key communications.

Each agency should ensure they are getting all information contained in the weekly bulletin.
