MEMORANDUM FOR: CHIEF HUMAN CAPITAL OFFICERS

FROM: KATHLEEN M. McGETTIGAN, ACTING DIRECTOR

Subject: Human Resources Flexibilities for Hurricane Harvey and its Aftermath

On Friday, August 25, 2017, President Donald Trump issued a major disaster declaration as Hurricane Harvey made landfall in Texas. As the President *stated*, “our highest priority is the safety of the public and of first responders.” At this time, the U.S. Office of Personnel Management (OPM) would like to remind agencies of the wide range of Human Resources (HR) policies and flexibilities currently available to assist Federal employees affected by Hurricane Harvey and its aftermath.

Human Resources Flexibilities

OPM’s [Human Resources Flexibilities and Authorities Handbook](#) provides detailed summaries and references for the many HR flexibilities and authorities which OPM administers.

Pay and Leave Benefits

The OPM [Handbook on Pay and Leave Benefits for Federal Employees Affected by Severe Weather Conditions or Other Emergency Situations](#) provides a general summary of the pay and leave benefits available to Federal employees prevented from working, or required to work, in an area affected by emergency situations.

Employee Benefits and Policies

Benefits and policies for Federal employees and eligible family members remain unchanged during emergency situations. See OPM’s [Hurricane Guidance Benefits and Policies](#).

Emergency Leave Transfer Program (ELTP)

In the event of a major disaster or emergency as declared by the President that results in severe adverse effects for a substantial number of employees, OPM may establish an Emergency Leave Transfer Program (ELTP). Under this program, Federal employees may donate annual leave to employees of the same or other agencies who are adversely affected, or have family members who are adversely affected, by the disaster or emergency. Agencies that have employees in need of assistance should contact their headquarters to report the need. OPM, in consultation with the

U.S. Office of Management and Budget, will work with agency headquarters to assess the need to establish an ELTP for this emergency.

Agency headquarters should contact pay-leave-policy@opm.gov to discuss the establishment of an ELTP and to address any questions or concerns. In the subject line of the email, please place “Hurricane Harvey”. For more information, please see our [Emergency Leave Transfer Program fact sheet](#).

Emergency Critical Hiring

Under 5 CFR 213.3102(i)(2), an agency may make 30-day appointments in the excepted service to fill a critical hiring need. An agency may extend these appointments for an additional 30 days. This authority may be used to fill senior level positions as well as positions at lower grades. The agency determines what qualifications are required. Career Transition Assistance Plan (CTAP), Reemployment Priority List (RPL), and Interagency CTAP (ICTAP) requirements under 5 CFR part 330 do not apply to these appointments.

Direct Hire Authority

Agencies are reminded of current OPM-authorized Governmentwide direct hire authorities. These authorities allow agencies to appoint candidates directly for:

- **Medical Officers** (General Schedule (GS)-0602), **Nurses** (GS-0610 and GS-0620), **Diagnostic Radiologic Technicians** (GS-0647), and **Pharmacists** (GS-0660) at all grade levels and all locations.
- **Information Technology Management (Information Security)** (GS-2210), GS-9 and above at all locations.
- **Veterinary Medical Officer positions** at the GS-11 through GS-15 grade levels (or equivalent) nationwide to include overseas territories and commonwealths (e.g., Puerto Rico, Guam, and the U.S. Virgin Islands) may be used indefinitely or until OPM terminates this authority.
- **Federal Acquisition positions** covered under title 41, U.S.C. 433(g)(1)(A) according to GW-004 (effective September 30, 2012), which has been extended by Sec. 1103 of P.L. 112-239, National Defense Authorization Act FY 2013. This authority is based on a severe shortage of candidates. Prior to using this authority, the department and agency heads (other than the Secretary of Defense) must determine whether a shortage of highly-qualified individuals exists. When determining the existence of a shortage of highly-qualified individuals, agencies are required to use the supporting evidence prescribed in 5 CFR 337.204(b). In accordance with 5 CFR 337.206(c), OPM may request information from agencies on their use and implementation of this direct hire authority. **This authority expires on September 30, 2017.** The legal authority code for SF-50 item 5-E is “BAE.”

Agencies may give individuals in the occupational series listed above competitive service career, career-conditional, term, or temporary appointments, as appropriate. In all cases, an agency must adhere to the public notice requirements in 5 U.S.C. 3327 and 3330 and all ICTAP requirements.

For additional information on these authorities, please see OPM's [Direct Hire Authority guidance](#).

An agency should contact OPM at employ@opm.gov if it believes it has one or more occupations for which an agency-specific direct hire authority may be appropriate in support of relief and recovery efforts.

Reemploying Annuitants

Under specified circumstances (which include responding to an emergency), agencies may bring back retirees without applying the dual compensation salary offset and **without OPM approval** as provided at 5 U.S.C. 8344(l) and 8468(i), which require that:

- Appointments are limited to 1 year or less;
- Hours worked by any annuitant reemployed under these provisions are limited to 520 during the first 6 months of retirement, 1,040 during any 12-month period, and 3,120 total hours worked during any period; and
- Reemployment may not exceed 2.5 percent of the full-time workforce at any time, and if 1 percent is exceeded, the agency must provide an explanation and justification to the Congress and OPM.

Agencies should contact OPM at employ@opm.gov for reemployment that may be needed for longer time periods than allowable under this authority.

Agencies must contact OPM at employ@opm.gov before reemploying a retiree who left the Federal Government with a Voluntary Separation Incentive Payment (VSIP) buyout. Depending upon the specific statute under which the buyout was received, the agency may request a buyout repayment waiver from OPM.

Other Hiring Flexibilities

Senior Executive Service (SES) limited appointments - Agencies have the authority to make SES Limited Term or Limited Emergency appointments for career employees, provided the appointment is within the space allocations limit previously authorized by OPM. Agencies may seek a temporary allocation from OPM if space is not currently available. Agencies may also seek authority from OPM to make Limited Term or Limited Emergency appointments of non-career employees using an automated form generated through the Executive and Schedule C System (ESCS).

Use of private-sector temporary employment firms - An agency may contract with private-sector temporary employment firms for services to meet emergency staffing needs. These contracts may be for 120 days and may be extended for an additional 120 days, subject to displaced employee procedures.

Temporary appointments less than 120 days - An agency may make competitive service appointments for 120 days or less without clearing CTAP or ICTAP. However, these programs may help identify one or more well-qualified displaced Federal employees who are available for immediate employment.

Reemployment priority lists - Current and former employees on agency RPLs are another immediate source of qualified individuals available for temporary, term, or permanent competitive service appointments. Conversely, in some cases, an agency may apply an exception under 5 CFR 330.211 of the RPL provisions to appoint someone else.

Special Solicitations for Charitable Contributions during Emergency Situations

The Director of OPM may grant permission for special solicitations of Federal employees, outside of the Combined Federal Campaign (CFC), in support of victims in emergency situations. The request must be in writing and include information on where the special solicitations will be conducted (i.e., agency name(s) and location(s), date(s) on which the special solicitation will be conducted, and information on the charitable organization(s) that will be the recipient of special solicitation funds). For information, visit OPM's [CFC website](#).
