MEMORANDUM FOR: Human Resources Directors

FROM: Richard A. Whitford, Assistant Director, Service Delivery Operations and Systems

Subject: NACE Conference Participation

As noted at the January 2001, Human Resources Management Council meeting, the National Association of Colleges and Employers (NACE) is holding its National Meeting & Exposition from May 29 - June 1, 2001 at the MGM Grand Hotel, Las Vegas, Nevada. Over 1,800 of the world's leading college recruiting and career services professionals are expected to attend.

We invite you to take advantage of our exhibition booth to distribute your agency's recruiting materials or join us in staffing the booth during the conference. If you're interested in attending, detailed information about the NACE Conference is available on the internet at www.naceweb.org/events/natmeet.

We will be exhibiting USAJOBS, the Federal Government's Employment Information System, at the NACE conference showcasing how USAJOBS offers job seekers worldwide job listings, resume and electronic application services, and email notification of jobs meeting applicants' profiles.

Dave Herman is our coordinator of the NACE conference exhibit. You can reach Dave by phone at 202-606-3736 or by email at daherman@opm.gov. You can route your recruiting materials for display directly to Dave at the following address

- U.S. Office of Personnel Management
- 1900 E Street, NW, Room 2469
- Washington, D.C. 20415

As the leading information resource for HR/staffing professionals who recruit and hire college graduates, NACE can play a useful role in developing a successful Federal recruiting strategy for your agency. OPM is pleased to work with NACE and I'm pleased to make this opportunity available to you.
