Do you have a course to share with HR University?

Many Federal Agencies do a terrific job creating web or classroom based courses to train staff and managers.

We want to increase the number of Government owned courses on HRU so we can diversify our catalog offerings and share the wealth of knowledge that exists across all Federal Agencies. Please have your Agency Learning Officers or other designated staff contact Traci DiMartini at traci.dimartini@opm.gov so we can work with you to share your courses on HRU!

Does your Agency know about HR University?

We are happy to come to your Agency lunch and learns, workshops or other training sessions to demo HR University to your staff. You provide the audience and we will do the rest!

The CHCO bulletin is the primary means of disseminating pertinent and timely information to CHCOs on a wide range of Human Capital issues. The consolidated nature of this bulletin is meant to reduce the e-mail flow and streamline key communications.

Each agency should ensure they are getting all information contained in the weekly bulletin.
